

# The Big Changes to Benefits

## What's It All About?

Workshops 30<sup>th</sup> May

**Do you work with people who are going to be affected by the changes to benefits?**

**Do you find yourself wondering what the Bedroom Tax is?**

**Do you want to know how much less or more money people will be getting each week?**

If so, then this is the session for you.

Inclusion North and the Housing & Support Alliance are co-delivering these sessions. Andrew Young, the Welfare Benefits expert from H&SA will be available to answer any queries you may have.

They will cover:

Recent changes to benefits

What information and support is available to explain the changes to the people you work with

Any future developments that may affect the people you work with

The sessions are aimed at the managers or team leaders of direct Support Worker who can go back to work and share the information with their colleagues.

**There will be 2 sessions on 30<sup>th</sup> May in York.**

You can attend either session as they are both the same:

**Morning - 9.00am - 12.30pm Afternoon - 1pm - 4.30pm**

We are offering 2 sessions in the same day as this means as many people as possible can attend and at the same time help us to keep our costs low.

The sessions are free for members of Housing & Support Alliance or Inclusion North.

Some paid places may be available – contact us for details
